RE: Captain G.O. Baugh Memorial Fund Scholarship

To the Company of Master Mariners of Canada,

I'd like to express my thanks to the Company of Master Mariners of Canada for selecting me to receive an award from the Captain G.O. Baugh Memorial Fund. I appreciate the support the company has provided me in my last year of studies at Georgian College.

In the life of a student, any amount of money can make the challenges of attending school easier to bear. Your continued sponsorship of students has a positive impact on the learning environment at Georgian College, and other programs throughout Canada.

Thanks again for your consideration.

Regards,
